Wednesday 8 PM - 9 PM, [MDT]

- **Program:** Zoom
- **Type of Group:** Remotely by Phone & Virtually Online
- **Group Rules -**
 - 1) For safety and confidentiality the group asks that you be ON CAMERA at the beginning of the meeting. It allows the leader/host and other members to acknowledge and see you. You are welcome to turn off your camera once after the introduction.
 - 2) Please ensure others' identities are kept confidential, including all visual and audio aspects. Participants expect their identities to be protected when sharing.
 - 3) Once the sharing order is established and it comes to your turn, please either state if you wish to "pass" or begin reading (out loud) the literature that is shared on the screen.
 - 4) Please follow along so you are ready to start reading when it is your turn.
 - 5) The leader/host is not responsible to prompt or instruct you during meetings. Questions can be asked prior to the meeting by reaching out to the group's contacts or addressed at the end of the meeting.
 - 6) If a distraction/interruption (doing dishes, caring for children, other people entering your space, etc.) occurs the group would like you to leave the meeting and rejoin when you are able to participate fully.
