

Dear EA Members,

We are excited to share some new information with you! After much thought, and soliciting and receiving member opinions, we are shifting to a new tech platform for The Loop. The new platform is easier to access and allows some features we didn't have with the old technology. Especially in these times when we need more virtual connection, we believe the "new Loop" will be of great benefit! It is accessible on smart devices as well as on a computer (through the internet). There is also an app that is available to download in the Apple App store and Google Play store. Members have their own profile page where other members can see what other posts they've made. If a member sees a share they really resonate with or like; they can click on the author and be taken to their profile page to see other shares they've made previously. We're happy to help out in any way we can if you have questions once you start using it, please email loophelp@emotionsanonymous.org. The new Loop will be active on today, August 20th, 2020. This is the link for the new Loop platform: www.emotionsanonymousloop.com.

Thank you,

EA International

The first session of the 2020 EA Zoom Retreat is now available on our YouTube channel. Please share with anyone who might have missed it and would be interested. Thank you to the hosts, members and Zoom tech person that made the event and recording possible. Stay tuned for the other sessions.

Save the Date!

Hold the date for the EA Annual Membership Meeting on Saturday, September 26, 2020. The meeting this year will be held remotely. More information to follow.

Emotions Anonymous Telephone Conference

We invite you to join us for our 4th Annual Telephone Conference! The theme is "Carrying the Message: A Message of Hope." The conference will take place Saturday, October 17, 2020 from 10:30 AM to 5:00 PM (Eastern Time). We hope you can join for one or more sessions! More information can be found [here](#).

We are all experiencing difficult times right now and the EAI staff and Trustees want to continue to support the EA fellowship as much as we can.

Unfortunately, EAI again ended the fiscal year with a deficit. We can not continue to provide the same level of services to the membership without increased contributions. Please consider the value EA brings to your life and be generous with your support.

If you can continue to support EAI by making a contribution at this time, please do so - every nonprofit organization -and for profit businesses as well! - needs to rally together right now. If you can not make a contribution, please keep all EA members in your thoughts as we all seek serenity and call on our own Higher Power to help us through.
