

Emotions Anonymous Trustee Application

The EA Board is made up of dedicated individuals interested in doing important service work for this organization. We have been fortunate to have an active, thoughtful, and dedicated Board and they have worked hard to move the organization forward.

The EAI Bylaws require a minimum of three board members. In 2018 the decision was made to hold bi-monthly board meetings (6 per year), instead of bi-annual meetings (2 per year). Then, in 2019, the board chose to meet 10 times per year. This made an enormous difference in our ability to make things happen at EAI and it kept the Board much more *on board* with the day-to-day operations. We also changed the Board terms in 2019 to coincide with the start of our fiscal year, July 1.

Each spring we seek new Board members. Terms are for three years, with the opportunity to renew for one additional three-year term. Most recently, meetings have been held virtually on Wednesday mornings from 11:00a.m. - 12 p.m. (Central time) every other month. For the next fiscal year, beginning July 1, the schedule will be set based on availability of the Trustees and Executive Director. Board members are asked to serve on one committee. Committees, which are not all active have included: Book & Literature, Bylaw Review, Finance, and Outreach. The requirements to serve on the Board are to have been in a 12 Step program for at least five years, with the last two in EA, completed Steps 4 and 5, and to be a current active member of an EA group.

This application should be completed and returned to director@emotionsanonymous.org no later than June 1. All applications will be reviewed and all candidates will be reached by phone for a discussion of their interests and the needs of the Board at this time. Those appointed will be notified in order to begin their terms July 1, in conjunction with the new fiscal year.

Board service is vital to the well-being of all nonprofit organizations. EAI needs thoughtful individuals who have time to attend meetings and work in between the meetings for the good of the organization. The current Board members are engaged, make time for EAI in their very busy schedules, and are interested in making the best decisions possible in order to reach as many people with the EA program as possible and make sure this organization exists for all who need it well into the future. Please consider joining us!
