New Group Scholarship Application Information

The EA-ISC receives calls from individuals wishing to start a new EA group but lacking the funds to purchase the basic beginning materials. Therefore, the Board of Trustees has created a Scholarship Fund for new groups. The fund is made possible by contributions from generous individuals and existing groups. A 65% discount will be paid out of Scholarship Funds, provided there is money in this account to use. If the New Group Scholarship Fund has no money, those requesting assistance may be placed on a waiting list until funds are available. No scholarships will be made in advance of funds being available.

Qualifications for receiving Scholarship Funds:

- Contact with EA-ISC expressing interest in beginning an EA group.
- Identification of a location or virtual platform, time, and weekday for a meeting.
- Check or credit/debit card payment for the remaining 35% (\$15.40) of the Group Starter Kit cost.
- The new group agrees to pay shipping/handling costs.
- The new group has checked with the location to find out if insurance is required (EA-ISC does not provide insurance).
- Completion and submission to the EA-ISC of the attached form.
