- "In honor of Robert Jamieson, father of current member Matt. Robert was an active member of EA." — Burnsville (Apple Valley), MN EA Group
- "In honor of Bill B., who was a member of the EA Groups in Sunnyvale, CA, and Cupertino, CA. Bill joined the EA fellowship in 1990, and served as treasurer and meeting leader, for both groups at different times. He would also contribute to EAI individually. Bill's favorite EA slogan was "one day at a time." He lived what he learned through the EA program in his life. His well-timed jokes, along with his deadpan delivery, never failed to make us laugh! Bill will be deeply missed by all of us, but he left us with wonderful memories." — Gloria B & Sunnyvale, CA EA Group
