#### Why Donate?

As EAI becomes more widely known, we hear from more people who tell us they need, but can not afford, materials. We try to fulfill these requests, but two-thirds of the income that keeps EAI operating comes from literature sales. Your support allows us to continue to organize the efforts behind the groups and to keep the EA fellowship operating. Donations help fund our day to day operaptions, the nitty gritty, as well as produce new literature and products.

#### **Other Ways to Help?**

Step 12 says, "Having had a spiritual awakening as a result of these steps, we tried to carry this message and to practice these principles in all our affairs." Service is an important piece of any recovery work, keeping us grounded in our efforts.
