

Experience, Strength & Hope: Gratitude

Dear EA Members,

In order to provide EA members with an extra "boost" during the early days of the pandemic, we began a weekly email, *Experience, Strength & Hope*, with trustee reflections based on the Just For Today's and focused on the current world situation. You can find that series [here](#). We received a lot of positive feedback on these emails and continued this service with a series of 12 emails on maintaining a healthy EA group, available [here](#). This is the final email of the third topic of the series, focused on gratitude. You can find those previous emails [here](#). We hope you have found these emails helpful and we look forward to identifying other ways to be of service to each of you in the future. Please share these emails and encourage others to sign up on our website [here](#) to receive the next series, which will begin on January 6th, 2021 and are affirmations written by an EA member, Mia C. We are grateful for her contribution to this effort!

Grateful for Leadership:

I'm grateful for the EAI Board of Trustees! EAI has eight very capable and talented trusted servants who are all willing to work together on the Board. It's exciting to see how people who come from different backgrounds and contexts can all contribute toward the betterment of our organization. I'm so thankful to be working alongside them in my position as chair of the Board of Trustees. - Scott J.

Your financial support of EA makes everything possible! Please consider a gift [today](#).
